Intense Sole Cleaner

SNEAKER CARE RANGE

VOLUME :
50 ml - 1L

TECHNICAL CHARACTERISTICS

The Intense Sole Cleaner removes the toughest stains and dirt from the edges of rubber soles. Its water-based, environmentally friendly formula restores the original color without altering it.

CARE INSTRUCTIONS

1. Shake the product before use.
2. Apply the product to a damp brush or directly to the midsoles.
3. Gently scrub with a brush until all traces of dirt have been removed.
4. Remove any remaining product with a damp cotton or microfibre cloth.
5. Leave to dry for 30 minutes.

FIELD OF USE

All materials : smooth leather, suede, nubuck, textile, Tex and synthetic materials.
