NEW COLOURS

Description :

The deep blue base, the fire red base and the yellow base CREME RENOATRICE have just been produced. These colours have been created to complete our range.

Resin-based formula, concentrated in pigments. Covers scratches, snags, cigarette burns, recolours all smooth leathers. Does not discharge.

AVAILABLE

Instructions for use :

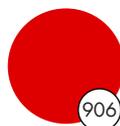

1. Remove any dust from article with a brush and clean, if necessary, with RENOMAT SAPHIR (Réf.0514). With the help of a cotton cloth or with your fingers (clean your hands with soap water afterwards), apply in small quantity CREME RENOATRICE.
2. Let dry 10 minutes.
3. Repeat the treatment if necessary.

Depending on the nature of the renovation work, the applications can be performed more or less thick.

Capacity :

25 ml

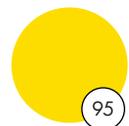

Colours :

fire red base

deep blue base

yellow base
